

Proceedings of the Secretary, APREI Society, Hyderabad
Pre sent: Sri G Gopal Reddy, M.A.,M.Ed.,

Rc No.Spl/Secy. Peshi/2012

Date:31-01-2012

Sub:-APREIS- Visit made by the secretary to certain schools-Remarks of
the secretary on the Visit- Instructions to the Principals of APR
schools for implementation-Reg.

* * *

All the Principals of AP Residential schools in the state are hereby instructed to take note of the following lapses observed by the secretary in functioning of schools during his recent visits to certain schools.

1. **Maintenance of Toilets** is very poor and students are not in a position to make use of the available toilets. Particularly in Girls schools, students are suffering due to the unhygienic conditions prevailing in and around the toilets. This is because of non serious attitude of the Principal, PET and staff Nurse towards the welfare of the students.
2. Though every thing that should be followed in implementation of intensive coaching to class X students was explained in detail during the recently held video conference, Principals and teachers are not following them in the classroom. For example:
 - a) Answer scripts of the special tests were not valued not furnished to the students within the scheduled time.
 - b) Question wise analysis was not done and not informed the students about the mistakes to rectify.
 - c) In every special test preparation schedule time, first ½ hour to 40 minutes has to be allotted to discuss difficult concepts in the syllabus earmarked for that particular test based on the question-wise analysis done on half-yearly examination answer scripts But it is not being implemented.

Hence, Principals of all APR schools are hereby informed to take note of the above and implement the instructions on implementation of Intensive caching effectively. And also make it mandatory to inspect the toilets and hostel by the staff nurse, House master/mistress, Principal, ATP every day to ensure hygienic conditions. Academic guidance officers and Dy secretaries are hereby instructed to guide the schools properly on the above lapses.

Receipt of these proceedings should be acknowledged

Sd/- G Gopal Reddhy
Secretary
